THE COUNTY DEBTS.

ry 25, says: Surely the people of Lafayette county have reason to utter load complaints about the tremendous local debt langing over them. Look at the following figures: A debt of \$1,350,000 and an assessed wealth of not seven millions! Or an indevedness more than a fifth as large as their antire wealth. And the

of February 27, contains this call, signed "Many Tax-Payers:"

are burdened with a and to take some definite action looking to the purchase of the out-standing railroad bonds and to re-ceive propositions from the credit-

The Independence Sentinel, of

The Court-House bonds figure in official statements, as funding bonds, and we believe are called funding.

The broad-barred Mexicanes inofficial statements, as fanding bonds, and we believe are called funding bonds, and we believe are called funding bonds on their face. The very name is a fraud, for no debt was funded with them. They were sold and the money obtained for them used in building the Court House. No attempt was over made to enjoin these bonds, yet at the time of their issue, the facts were fully known. They have gone into the hands of third parties, and must be paid. Whitst the county bonded indebtedness of the expects to spend the balance of his days.

As a matter of local news, Nation says, in last week's Jeurnal, that Patrick Savage was savagely killed on the Erie railroad, in the Bergen tunnel a few days ago.

Hon. Robt. T. Fryer, Johnson county's representative in the legislature, voted for the renewal bond to the foregoing figures we baye only touched part of the attent of the renewal bond.

Official statements, as fanding bonds, and we believe are called funding bonds on their face. The very name is a fraud, for no debt was funded with them. They were sold and the money obtained for them used in building the Court House. No attempt was ever made to enjoin these bonds, yet at the time of their issue, the facts were fully known. They have gone into the hands of third parties, and must be paid. Whitst the county bonded indebtedness of the octors, such as marine blue with ecru, mauve and ecro, or else on the hundred, to Jackson's \$3.25 on the hundred, to Jackson's \$3.25 on the hundred, to Jackson's \$3.25 on the hundred. From these figures it is apparent that Jackson county's burdens, in the shape of bonded into indebtedness are slight in comparison, with those of her sister, Lufayette. But in the foregoing figures we have only touched part of the web are only touched part of the with them. They broad harred Mexicanes in troduced last summer become very popular, and now re-appear in wider of their issue, the fact of the pour pour funds of the pour pour funds of the part of the pour funds. The provide last summer become very popula

son, with those of her sister. Inflyette. But in the foregoing figures
we have only touched part of the
troubles. The township indebtedness both of Lafayette and Jackson
is more serious to the involved localis more serious to the involved locallish color in cameo shading. The is more serious to the involved localities than the county indebtedness
proper. That of Lafayette is \$357,
000, Jackson's \$377,000. It may be
wise in Lafayette to contest part of
her township indebtedness. We understand that an effort will be made
to give some relief to those town-

plaid. The apron of medium depth, bordered with plaid, has no back breadths, but rounds upon the bustle, where there are many loops. Sim-ple cuiress basque, bordered with plaid. Coat eleceves with a wide plaid band around the wrist and

two narrow rows above it. The first indications of spring styles are found in suits of plaid and lace-figured percale costumes, There is nothing yet very new in manner of making these." Most of the early imported dresses have a basque and tablier, with sometimes a jacket. The skirt is, as usual, trimmed with flounces, both pleated and shirred, beaded by puts. Great variety, however, is given to evstumes by employing two materials, one of plaid and the other striped in the color of the plaid, and the obconclusions were drawn from the some scheme of adjustment or course in the color of the plant, and the course for the promise, as foreshadowed in the ject seems to be to have no two dresses exactly alike. Thus is one McClellard bill, can be effected, and the grasp of the bond-holder be taken from our throats. But we have little hope of any such arrangement being made. The implacable greed for money which constitutes the character of the money-changers, and it is this also we have to deal, dis-

There is no doubt that we are to have a quadrille season, not of high-colored tartans, but of dark brown vivid scarlet, blue or ecra. Some-thing of the illuminated lines ap-pears in trimmings, as pipings, la-oings and lining of bows, collar and cings and lining or both sash ends. Debege will be the popuiar material in these designs, and a large percentage of the impor-tations is of brown shades. What appear in these plaids—odd quaint combinations, showing brighter colwell thought of same plaid are imported to match the
